

TO WHOMSOEVER IT MAY CONCERN

Respected Madam/Sir,

We, the undersigned students of the Computer Engineering Department from Semester IV, humbly request your kind permission to allow our group, comprising six students, to participate in the **Software Group Project (SGP)**.

At present, our group is actively working on a **Faculty Project** under the able mentorship of **Prof. Mrugendra Rahevar**. The project has demonstrated significant scope and potential, and we are keen to continue its development further by extending it as a **large-scale project** under the SGP framework. We believe that this will not only enhance the quality and impact of the project but also contribute meaningfully to our academic and practical learning outcomes.

We, therefore, respectfully request you to grant approval for our group of six students to undertake the Software Group Project collectively.

The details of the group members are as follows:

Name	ID	Designation
Kush Shah	D25CE145	Backend Developer & Security Testing
Ishan Shastri	24CE115	Backend Developer
Dhairy Tanna	24CE124	Backend Developer & Security Testing
Shrey Raval	24CE107	Software Testing & Quality Assurance
Krina Parikh	D25CE146	Frontend Developer
Yashvi Gor	24CE037	Frontend Developer

We shall be highly obliged for your kind consideration and approval of our request.

Thanking you in anticipation.

Prof. Mrugendra Rahevar
Faculty Mentor
